

## FMCSA Drug & Alcohol Clearinghouse Compliance Seminar Tuesday November 19th, 2019

### Are you ready?

Beginning **January 6th, 2020** FMCSA employers, MROs and SAPs will be **required** to report drug and alcohol violations to the FMCSA using the new **Clearinghouse** database.

In addition, employers will be required to perform a pre-employment query before hiring *any new drivers* as well perform an *annual query* on existing drivers.

Attend this informative seminar which will include representatives from the FMCSA, the Office of Drug Alcohol Policy Compliance and the Colorado Motor Carriers Association, an open Q&A session, and **hands-on Clearinghouse registration assistance**.

The important event will be held at the [Mile High Station](#) located at 2027 W Colfax Ave, Denver, CO 80204 from 8:30am to 2:00pm.

The cost for this seminar is only \$25.00/ person; to register please [click here](#).

***Hurry, seats are limited and registration closes 11/15/19***

---
